

# Connected Planning for Midsize Companies

Financial planning and analysis (FP&A) requires a right-sized blend of data, workflow, and reporting to provide strategic value to the business leaders making critical decisions that impact the organization's financial health.

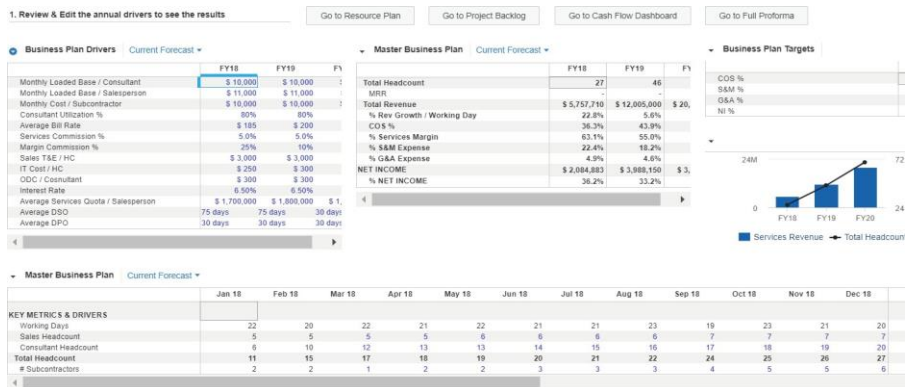

## Features

- Business Plan Dashboard
- Connected Planning
- Income Statement
- Balance Sheet
- Cashflow Forecasting
- Driver-Based Planning
- Training and Enablement

Allitix's FP&A app for Midsize Companies delivers a simple, focused solution package that accelerates deployment time for growing companies who depend heavily on rapid ROI. Our solution provides immediate control and efficiency, then scales with your business every step of the way.

## Business Plan Dashboard

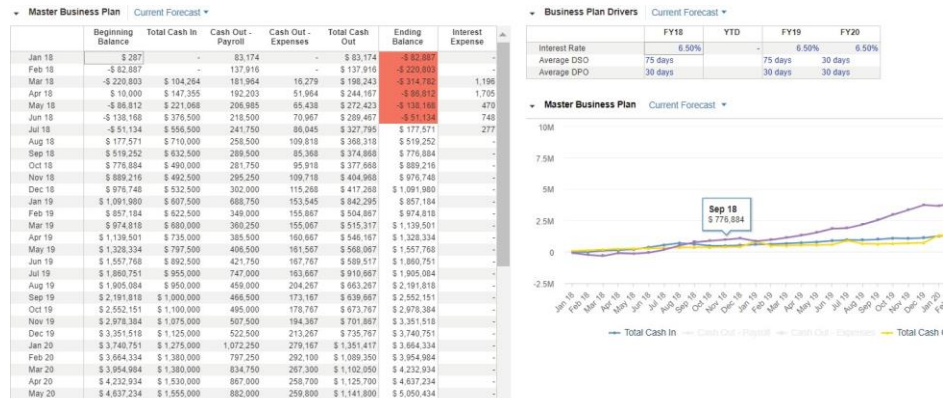

Key stakeholders get a holistic view of the organization's financial progress.

"The Allitix team was phenomenal before, during, and after our implementation."

## Cash Flow Dashboard

Business leaders can forecast inflows and outflows across multiple time periods and against defined business plan drivers.

## About Allitix

The Allitix logo is positioned in the bottom left corner of the page. It features the word "allitix" in a white, lowercase, sans-serif font. The letter "i" is stylized with a vertical line extending upwards from its top, resembling a bridge pylon or a structural element. The background of the entire page is a blue-tinted photograph of a suspension bridge, with a large, curved, mesh-like structure in the upper right corner and the bridge's cables and towers visible in the lower half.
